On February 3, 2006, Denise Crowe, a 21 year old mother from Baltimore City, died after a botched abortion committed by long-time abortionist Romeo Ferrer. This event was covered up by the State of Maryland for over 4 years... Finally on June 2, 2010, a secret hearing (not open to the public) was held by the Maryland Board of Physicians. ***Please do 3 things:***

- **Write to Board Chairman Paul T. Elder, M.D., insisting that Ferrer's license which is up for renewal be revoked. (E-mail a copy of your letter to mail@defendlife.org)**
