DEFEND LIFE

Bring one of these 3 Great
Lecture Tours to Your Parish this Autumn

Father Michael Roach is the Pastor of Saint Bartholomew's Church in Hampstead, Maryland as well as a long standing teacher of church history at Mount Saint Mary's Seminary where he has been instrumental in the formation of countless Catholic priests. Nobody can tell a story like Father Mike Roach. His very timely topic for the challenging times in which we now live will be *Priests, Prisons, and Priest-Catchers: The Story of the Reformation*.

Father Roach

The so-called "Reformation" in England saw the Catholic Faith persecuted, especially under Queen Elizabeth. Hear the inspiring story of the Catholic Church and her martyrs as she continued to minister to the remaining faithful in England. **Father Roach is available to speak at your parish the evenings of September 17 & 18.**

Monsignor Jeremiah Kenney is a preacher, author, and retreat master. He is the former rector of the Basilica of the Assumption in Baltimore, America's oldest Catholic Cathedral. He also headed the Marriage Tribunal in the Archdiocese of Baltimore for many years. In 1995, he was in charge of security for the Papal Visit to Baltimore.

Msgr. Kenney

His topic will be *Saints (and Soon to Be Saints) I Have Personally Known*. These include Dorothy Day, Father Patrick P. O'Connell, Mother Teresa, Saint John Paul the Great, and Archbishop Fulton Sheen. **Msgr. Kenney is available to speak at your parish the evenings of October 15 & 16.**

Monsignor Charles Pope is the Pastor of Holy Comforter-Saint Cyprian Church, 13 blocks due east of America's Capitol in Washington, D.C. He grew up in Chicago, attended Mount Saint Mary's Seminary, and is an accomplished pianist and organist. He writes an exciting daily blog for the Archdiocese of Washington, which you should visit at *Blog.ADW.org*. His topic will be, *The Miracle of Marriage*.

Msgr. Pope

When God says, "They are no longer two, they are one." He is teaching us about a work that He has begun. But given human sinfulness and frailty, His work requires nothing short of a miracle. Even the best marriages have tensions. But God's graces and mercies are never exhausted, and couples need to learn how to persevere through difficulties to the miracle of unity. **Monsignor Pope, because of his extremely demanding schedule, will be available to speak at only one parish on Friday evening, November 13.**

These priests are available on a FIRST COME - FIRST SERVED - NO CHARGE BASIS.
