# DEFEND LIFE

**Bring 1 of 3 of America's Greatest PRO-LIFE Speakers to your Parish or K of C Council this fall!**

On the evenings of **September 15 & 16, David Bereit**, Founder and CEO of 40 Days for Life, is available to speak on ***Saving America ... Before It's Too Late***.

America is at a crossroads, embroiled in cultural chaos, moral breakdown, and political turmoil. We've seen devastating setbacks on the vital fronts of faith, family, and freedom. In the midst of this toxic environment, the PRO-LIFE movement is making significant gains — especially at the local and state levels. In this hope-filled presentation, David will reveal how your role in the PRO-LIFE movement is crucial — not only to saving lives, but also to saving America for our children and grandchildren.

Eric is the son of the great Joe Scheidler, the Father of the PRO-LIFE Movement! He lives in Aurora, Illinois with his wife and 8 children where he leads the battle to keep the ubiquitous PLANNED PARENTHOOD from opening America's largest D.E.A.B. In 2011, Eric can speak on any number of topics. When he spoke for DEFEND LIFE several years ago, his topic was ***Fighting Abortion in Europe***, which was based on his travels in Belgium and Germany. Like his dad, Eric is a powerful inspirational speaker and would be a great hit at your parish or K of C Council.
