No priest in the world has spoken out more fervently, frequently and eloquently on the **Sanctity of Human Life** than **Father Frank Pavone**. Born in 1959, He was ordained to the priesthood by the late **John Cardinal O'Connor** in 1988. In 1993, Cardinal O'Connor appointed him as **National Director of Priests for Life**.

After volunteering at his parish in Port Chester, New York and attending the **1976 March for Life**, Pavone decided to dedicate his life to the **PRO-LIFE** cause.

Be inspired to increase your commitment to the **PRO-LIFE** cause. Come and hear him speak **January 9**. Visit his great web site at ***PriestsForLife.org***.

**Great PRO-LIFE speakers like Father Pavone are available to your parish
on a FIRST COME - FIRST SERVED - NO COST basis**
