Host one of these Outstanding **DEFEND LIFE** Speakers at Your Church in 2015!

Thanks to our marvelous donors, we make these speakers available on an **ABSOLUTELY FREE** basis.

Continuing in that tradition, here are the outstanding speakers we have booked for our upcoming **2015 Winter - Spring Lecture Tours**. They are available to speak at **YOUR** parish or church on the dates and topics stated below:

So effective were these efforts, that they were sued by the abortionists in Buffalo. Father Schenck went to Federal Prison as a result. Their case went all the way to the Supreme Court and is one of the landmark cases in the history of our movement. Later Father Schenck founded **The National Pro-Life Center on Capitol Hill** which continues to do great educational work in the Judicial, Legislative, and Executive areas of our Federal Government. Presently, he is the **Respect Life Director** for the **Diocese of Harrisburg**. He is also the founder of **National PRO-LIFE Radio**. If that were not enough, he is also Administrator at a parish in Spring Grove, Pennsylvania. He and his wife Rebecca are the proud parents of 9 children, one in Heaven.
