Using the Planned Parenthood Exposé to End All Abortion in America

Father Stephen's journey began with a painful past – namely his own complicity in an abortion many years ago - that brought him to the **PRO-LIFE** movement, opened him to the priesthood and now allows him to preach the Gospel of Life “from the standpoint of mercy.” He entered **Holy Apostles Seminary** in 2000 and became the **National Coordinator of Seminarians for Life**. Ordained to the priesthood in 2005, Father soon founded **Project Defending Life**, www.DefendingLife.org and is a speaker for **Priests for Life**.
