

DEFEND LIFE

NEEDS YOUR HELP NOW!

if **DEFEND LIFE** is to continue!

DEFEND LIFE is at a crossroads. For the past 34 years, here is some of what we have been doing:

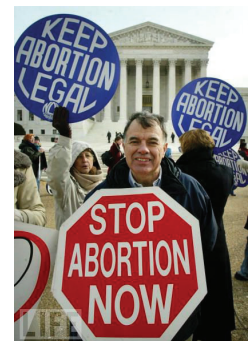

- Bringing hundreds of great **FREE PRO-LIFE** speakers to churches, schools, and Knights of Columbus Councils in Maryland, DC, Northern Virginia, West Virginia, and Southcentral Pennsylvania.
- Publishing **DEFEND LIFE**, the most outstanding publication in our entire movement.
- Exposing the ugly reality of **Abortion** through our Annual **Face the Truth** tours. This year's tour is our **21st**. Our 2008 Tour led to national publicity when the Maryland State Police **falsely arrested** 18 of us. It was a great example of how **God** can bring good out of evil!

But despite all this, we are at a **crossroads!**

We are **simply running out of volunteers!**

Here are areas where we need **YOUR** immediate help:

- Several tenacious persons to fearlessly pursue churches for speaking engagements This may be our most **critical need**.*
- Persons willing to drive our speakers to Lecture Tours
- Persons to be liaisons between myself and the person who will create a much-needed new website.*
- Persons to fact-check information for our new website*
- Persons willing to continuously maintain our data base*
- Typing assistance.*
- Persons willing to be **Greeters** at our 6 annual Lecture Tours.

If you can help in any of these **URGENTLY** needed or related areas, please **immediately** contact:
