

Maryland Face the Truth Tour Registration Form

The Face the Truth Tour is a pro-life event where we will go around MD, DC, and WV areas, displaying large graphic signs of abortion victims. We do this along heavily trafficked highways and roads. Our purpose is to show the public the horror of abortion. You will be a core team member throughout the week. The daily schedule is a stop in the morning, Mass, a second stop, a luncheon with a pro-life speaker, a third stop, a picnic supper, and then you go to your designated sleeping areas, which will be the supporters of Defend Life. The transportation for core team members will be by adults or teens who are attending the tour as core team members. There will be an ending picnic on Friday to which families of all core members are invited. For more information about Face the Truth Tours visit ProLifeAction.org/Truth and watch the video.

If a problem arises during the week, I will notify Julie Smith and let as little people know about it as possible (this is just to keep the chaos down).
