

# Save Lives on the Sidewalk

## Sidewalk Advocates for Life

### VISION & MISSION

To train, equip, and support local communities across the United States and the world in "sidewalk advocacy": to be the hands and feet of Christ, offering loving, life-affirming alternatives to all present at the abortion center, thereby eliminating demand and ending abortion.

## TESTIMONIALS

"Praising God for your training. We have now had 3 groups complete it, and I want to say thank you! For sometime our group has recognized the need for some structured training but did not have the time nor resources to set up a program. Your training has filled that void. Not only do we have new core persons on the sidewalk reaching out to clients and staff, but experienced sidewalk counselors are encouraged, spirits are renewed and, of course, everyone can benefit from sharing of outreach methods and experience."

**BONNIE L.**

**COLUMBIA, MO**

**Lauren Muzyka, Esq., Executive Director:**

Lauren serves as Executive Director of Sidewalk Advocates for Life where she oversees the management and development of the organization and staff, and ensures that the organization fulfills its mission through its programs and policies. Lauren additionally serves as a pro-life guest speaker and trained sidewalk counselor of 17 years. Her greatest joy is her relationship with Jesus Christ and His Church, being married to her husband, and bringing God's people together across denominational lines in the pro-life movement.

**Susan O'Neil, Northern Program Coordinator:**

Prior to joining the Sidewalk Advocates for Life National Team, Susan started and directed an SAFL location in Virginia. Her previous pro-life activities include sidewalk advocacy, volunteering with the Center for Bioethical Reform, working with local pregnancy resource centers, fundraising, participating in 40 Days for Life campaigns and attending the March for Life in Washington D.C. She currently serves on the advisory board for the Virginia Christian Alliance.
